Hi Everyone,

Calgary City Council is looking into **24/7 On demand Wheelchair Accessible Taxis in Calgary**, and will be discussing it at a city council meeting on March 19th. If you wish to support this more flexible option for affordable, accessible transit, consider sending a brief note of support to your city councillor. Please title your note "24/7 On demand Wheelchair Accessible Taxis in Calgary?". They just need to know that they have constituents who support this project, going into the meeting.
