FREE - bring your own blanket or chair.

Sien Lok Park in Chinatown; Riverfront Avenue between 1<sup>st</sup> and Centre Streets SW

We will be "suggesting" different activities in the newsletter each month and will always welcome a little write up from clients about their experiences at a city event!

Remember, we always post different city events in the CASS website on the Events calendar.

Take a look at the [discovercalgary.com](http://discovercalgary.com) website. It lists all upcoming events in the city and gives links to the websites for more information on each event.
