504.09 – COVID-19 – Immunization Policy

COVID-19 is an acute respiratory illness caused by the severe acute respiratory syndrome coronavirus 2 (SARS-COV-2). The evidence overwhelmingly confirms that being fully immunized mitigates potential harm and transmission. CASS subcontractors are responsible for protecting their health and the well-being of the vulnerable individuals that we support. Vaccination is an important tool to assist in meeting this standard.

All CASS Support Home Providers hired after November 15, 2021, must show proof of vaccination before the commencement of work.

You can read more about this decision in a blog post where the CASS Senior Leadership Team communicates its ongoing response to the COVID-19 pandemic here: <http://www.c-a-s-s.org/covid19/>

Please submit this completed application form with your cover letter and resume via email to jobs@c-a-s-s.org or by faxing it to 403.283.0691 or in person at 2335 30th Avenue NE, Calgary Alberta, T2E 7C7.
